

Washington, D.C. - Today, Congressman Jim Costa (CA-20) announced a federal transportation grant awarded to California's 20th Congressional District.

"I would like to congratulate the Minter Field Airport District on receiving this grant and thank them for their service to the Central Valley," Congressman Costa said.

The Minter Field Airport District will receive \$150,000 from the Federal Aviation Administration. These funds will be used for rehabilitations of the existing airport access road, installation of approximately 4,200 feet of perimeter fencing and construction of two taxi lanes for the east hanger areas. This project is necessary to improve the existing access road pavement, enhance safety at the airport and meet general aviation demands. The point of contact is Mr. Herman Ruddell who is the Airport General Manager.
